Summary

I am an enthusiastic person and have a passion to succeed and learn new skills. Proficient in MongoDB, Express.js, React.js, and Node.js, I am eager to apply my skills in building dynamic and user-centric web applications. With a strong foundation in frontend and backend development principles, I am committed to learning and adapting to new technologies and best practices.

Technical Skills

Languages: JavaScript, HTML/CSS, NoSQL

Developer Tools: Vs code, Thunder Client, Git, Chrome Dev Tools, Redux DevTools Extension

Technologies/Frameworks: React, Node Js, Mongodb, Express Js, Redux, Git Hub, Mongoose

Experience

Mentorow. Tec., Ltd.

MERN Stack Developer Intern

Kochi, Kerala

Jul. 2023 - Feb-2024

- Building user interfaces and components
- Implementing responsive designs
- Creating server-side logic and APIs.
- Implementing authentication and authorization.
- Writing queries to interact with the database and ensuring data integrity and security.

Projects

E-Commerce Web App

Feb, 2024 - Ongoing

- Implemented user authentication and authorization using JSON Web Tokens for secure user access.
- Utilized MongoDB Atlas to set up a cloud-hosted database for efficient data storage and retrieval.
- Applied RESTful APIs with Express.js to handle CRUD operations for managing products, profiles, & orders.

Social Media Application

Dec, 2023 - Jan, 2024

- Developed a social media application leveraging the MERN (MongoDB, Express.js, React.js, Node.js) stack
- Implemented real-time chat functionality using Socket.IO to enable instant messaging between users,
- Implemented user profiles with customizable avatars, bio sections, and social media links, allowing users to personalize their profiles and connect with others.

Basic-Website

Sep, 2023

- Developed a dynamic web application using Next.js, leveraging server action features to enhance performance and SEO while providing users with a seamless browsing experience.
- Implemented a user-friendly interface that allows users to scroll through a curated collection of anime titles, providing quick access to information and images for each anime.

Education

Calicut University.

BSc Computer Science

Palakkad, Kerala

Nov. 2020 - Mar, 2023

- Coordinated and organized multiple events at Technovation Tech Fest 2k22
